2016 MAY 26 PM 4:27
CLERK OF DISTRICT COURT
TULSA COUNTY, OKLAHOMA

COUNT I
BREACH OF CONTRACT

2. Plaintiff alleges that on September 26, 2008, the Plaintiff was a driver involved in a motor vehicle collision with a third party driver.

3. The Plaintiff was a driver in an automobile covered by an insurance policy issued by the Defendants. That said policy of insurance included coverage for injuries caused by an uninsured/underinsured motorist for which the limits were \$250,000.00 per person, and \$500,000.00 per incident. Further, that said policy was in effect and covers injuries sustained by the Plaintiff in the automobile accident that occurred on September 26, 2008.

4. As a result of a third party driver's negligent operation of a vehicle on September 26, 2008, Plaintiff has suffered injuries to her person, has incurred medical expenses, has and will endure mental and physical pain and suffering, has incurred past medical expenses, has sustained permanent impairment and injury and may incur future medical expenses.

5. That, at the time of the accident, the third party driver of other vehicle was under-insured. That pursuant to the terms of the policy of insurance with the Defendants, this is a factual situation wherein the uninsured/underinsured motorist coverage contained in said policy with Defendants applies to the accident involving Plaintiff and under-insured driver, occurring on September 28, 2008.

6. Plaintiff has requested that Defendants make a settlement under said policy, and Defendants have failed to make a reasonable offer and payment in connection with said policy. Plaintiff has performed all conditions precedent under the policy.

7. On or about February 23, 2016, Defendants denied Plaintiff of UM coverage.

8. That the Defendants have breached its contract of insurance and have wholly

refused or neglected to pay Plaintiff the value of her uncompensated damages. Said failure constitutes a breach of contract of said insurance policy, and the Plaintiff is entitled to a judgement against Defendants in the amount of \$10,000.00 for the personal injuries she sustained while covered by such contract, together with attorney's fees and costs.

COUNT II
BREACH OF THE COVENANT OF GOOD FAITH
AND FAIR DEALING

For her second claim for relief, the Plaintiff, Leslie Farmer, alleges and states as follows:

9. She adopts and realleges the allegations of Count One, Paragraphs 1 through 7, as if they were fully rewritten and fully set forth herein.

10. In refusing to make the payment described, the Defendants breached their obligation to pay the amount due under the policy as stated above within a reasonable amount of time after having received notice of the loss described above. The Defendants further failed to deal fairly with the Plaintiff. The refusal of the Defendants to deal in good faith with the Plaintiff was willful and in bad faith. In so acting, the Defendants breached its implied covenant of good faith and fair dealing that it would not do anything which would injure the right of the Plaintiff to receive the full benefits of his insurance policy.

11. As a proximate result of the bad faith of the Defendants described above, the Plaintiff was forced to retain legal counsel at a substantial cost to her. Moreover, as a result of the unreasonable refusal to pay policy benefits on the part of the Defendants, the Plaintiff has suffered mental and emotional distress for which she is entitled to receive compensation in the amount in excess of \$10,000.00.

12. The bad faith refusal to pay policy benefits on the part of the Defendants was

grossly oppressive, wanton and willful, therefore entitling the Plaintiff to request and receive punitive damages in an amount in excess of \$10,000.00.

WHEREFORE, the Plaintiff prays judgment against the Defendants for actual damages for attorney fees and for mental and emotional distress in excess of \$10,000.00, as well as punitive damages in an amount in excess of \$10,000.00, his costs, attorney fees, and any other relief this Court deems just and fair.

Respectfully submitted this 24 day of May, 2016.
